

CONCRETE FLATWORK TECHNICIAN / ASSOCIATE INTERNATIONAL CERTIFICATION BY ACI

ACI CERTIFICATION PROGRAM

Do you know ACI Flatwork Certificate is a Must?

Section 5.3.4.1 ACI 301 specifies that ACI Flatwork Certificate is required for Flat Floor Construction.

5.3.4.1 Placement—Place concrete at a rate that allows spreading, straightedging, and darbying or bullfloating before bleed water appears. Strike smooth the top of walls, buttresses, horizontal offsets, and other similar unformed surfaces and float them to a texture consistent with finish of adjacent formed surface. Finish slab surfaces in accordance with one of the finishes in 5.3.4.2, as designated in the Contract Documents. Use qualified flatwork finishers acceptable to the Architect/Engineer.

Unless otherwise permitted, a minimum of one finisher or finishing supervisor shall be a certified ACI Flatwork Concrete Finisher/Technician or a certified ACI Flatwork Technician as defined in ACI CP 10 or equivalent.

PROGRAM

DATE 1

REQUIREMENTS FOR SUCCESSFUL ACI CERTIFICATION

For successful Certification it is mandatory to Pass the Written Examination.

Successful completion of the written examination shall require a minimum of score of 70% in the Theory Paper. ACI Flatwork Certification shall be valid for a period of Five years from the date of completion of all applicable certification requirements.

On request, a Re-Sit Written Examination shall be arranged on a mutually convenient day and time at a fee. ACI, USA will forward the ACI Certificate together with Wallet Card (Only to those who Pass the Written Examination) and Certification Result Report directly to the mailing address provided by the Examinees. The details of the successful Examinees will also appear on ACI website (www.ACI.org).

ACI EXAMINERS & SUPPLEMENTAL EXAMINERS

The Examiners and Supplemental Examiners are selected from the existing pool of Examiners, who have been duly Authorized by the Certification Body of ACI, USA. An independent Observer may also observe the whole Examination Process to ensure that Examination is conducted in an orderly way.
